Have you taken any courses on the college campus? If so, which courses and what was your grade?

Have you and your parents met with a counselor and completed an SEOP plan?

_____yes _____no

What have you identified as your career goal?

How does enrolling in Concurrent Coursework help you further that goal?

What classes are you planning on taking?

Check if apply:

_____ Have a goal to graduate with an Associate Degree at the end of my Senior year.

_____ Have a goal for early high school graduation/Centennial Scholarship.

I certify that I have the ability, motivation, maturity, and study habits needed to succeed in a college class. I understand that grades earned in a Concurrent course will be on both high school and college transcripts and will be used to figure GPA. I know that if I fail a course, I will not be allowed to register for Concurrent Enrollment courses in the future. I also understand that earning unneeded credits outside of my career major could later put financial funding eligibility in jeopardy.
